

**SUMMER HOUSE PARK PRESENTS**

## **Available Position: Summer Activity Team Mentor**

**Are you looking for part time employment and wish to support the fun activities we host here at Summer House Park? Read on...!**

We are looking for an enthusiastic, creative individual, who has experience working with children and groups, to assist our Activity Team throughout the summer months.

The Activity Team Mentorship Role would be a part-time position (1-3 days per week) intended to provide support to the Activity Coordinator and the entire Activity Team by:

- Guiding the team in effective event planning.
- Help to ensure daily programs and special events are on track, well-advertised and running smoothly.
- Provide event support, when needed, during larger events throughout the summer.
- Sharing tips and tricks for engaging children during group activities.
- Providing support, when needed, in case of any conflicts or emergencies.

Preferably the Activity Team Mentor has several years of teaching or event planning experience and is available during July-September.

If interested, please speak with us regarding scheduling and compensation.
